<b>NON-CUMULATIVE<sup>9</sup></b>		

<sup>6</sup>These statistics are non-cumulative. Cases may involve multiple victims and include female, male, transgender and gender non-conforming individuals, foreign nationals and U.S. citizens, adults and minors. In some cases, demographic information is not reported. This table shows the number of cases referencing each demographic and not the number of individual victims.

<sup>7</sup>Other gender identities include any individuals whose gender identified was not cisgender male or female. This would include individuals who identify as transgender male, transgender female, two-spirit, agender, genderfluid, or other specified genders. At times, this information is self-reported. Other times NHTH staff may explicitly ask about gender identity for the purposes of connecting that person with appropriate service provider resources to meet their needs. Situations where the likely victims' gender was unstated or unclear due to conflicting information are recorded as Unknown.

<sup>8</sup>A Foreign National in this data set is defined as any individual who is not currently a US Citizen or Legal Permanent Resident.

<sup>9</sup>These statistics are non-cumulative. Cases may involve multiple victims and include female, male, transgender and gender non-conforming individuals, foreign nationals and U.S. citizens, adults and minors. In some cases, demographic information is not reported. This table shows the number of cases referencing each demographic and not the number of individual victims.

<sup>10</sup>To protect the identity of the people we serve, the National Human Trafficking Hotline does not disclose exact statistics related to venues, industries, victim information or caller information referenced fewer than three times.
